*A Message from the President*

*Greetings South Fulton Council PTA Parents, Teachers, Students and Leaders,*

*WOW! We made it through another amazing PTA year!*

*The past year has presented some challenges and caused us to live in unprecedented times, like never before. However, the awesome leaders, parents, teachers and students of South Fulton Council PTA have demonstrated once again how resilient and dedicated we ALL are to the advocacy of our scholars!*

*It is with warm and sincere humility and gratitude that I say "THANK YOU!" Without you and your dedication to the mission and goals of the South Fulton Council PTA, we could not have done this work. It has been my greatest pleasure to work with such a wonderful team of awesome leaders who embody and represent the very essence of advocating for ALL of the children of South Fulton County.*

*As we bring this PTA year to a close, I want to congratulate our local units on an outstanding job of remaining in good standing, participating in Reflections, earning various awards and grants through your submission of your work and truly representing "Every Child. One Voice". A very special CONGRATULATIONS to our scholarship recipients on this prestigious achievement.*

*South Fulton Council PTA has made tremendous progress over the years and the course of work for our Council continues in a direction of growth, development and success for ALL of our local units and their members. In PTA, we have an opportunity to acquire skills which can be utilized in our professional career as well as our personal lives.*

*I want to give a hearty "WELCOME ABOARD" to our newly elected officers for the 2021-2023 year and congratulate you for taking the necessary steps of enriching the lives of children, parents and teachers in South Fulton County. You have embarked upon a journey that will give you endless possibilities towards creating pathways for our local PTA's to be successful.*

*As your President, I am confident that your leadership skills will continue to develop as a contributing member of South Fulton Council PTA, so that we can continue to work and grow as a team.*

*Again, thank you for not only being a group of volunteers who shared my same visions, goals and aspirations for South Fulton Council PTA, but thank you for being my family and helping me to be successful as a leader!*

*IlmSincerely yours,*

*Glenda Shivers – President*

*Thank  
you*

*A tremendous thank-you to outgoing South Fulton Council PTA President Glenda Shivers. Glenda has an integral part of the SFC Board for several years in a variety of roles. Her capabilities as a trainer are extraordinary. Prior to her SFC Board leadership, she was a local unit leader at the high school level. Her vision to grow PTA came to fruition as she chartered several new local units throughout South Fulton during her tenure. Her love of PTA and our community shines through everything she does. Fortunately, we are not saying goodbye to Glenda. She will continue actively support SFC and our schools.*
